

Connecting with the Power of FIRE

ASSIGNMENT TWO – Altar Creation

An altar is a sacred point between heaven and earth, anchoring your manifestation into physical form. It's giving energy to your intention, your prayer and what you hold sacred. Creating a magical space.

Set Up your Fire Altar:

This can simply be a small table or surface where you can lay out and decorate the space with objects associated with fire. We like to anchor the items together by using an altar cloth, such as a big red or orange scarf or piece of fiery fabric to place over the surface before laying out the items.

Create an altar, dedicated solely to the element of fire. Go outside and find items or use items you have around your house to create your FIRE ALTAR.

Ideas for Fire Altar Creation

Infuse me with passion and life giving heat
Be with me now.
