

Connecting with the Power of AIR

ASSIGNMENT TWO – Altar Creation

An altar is a sacred point between heaven and earth, anchoring your manifestation into physical form. It's giving energy to your intention, your prayer and what you hold sacred. Creating a magical space.

Set Up your Air Altar:

This can simply be a small table or surface where you can lay out and decorate the space with objects associated with air. We like to anchor the items together by using an altar cloth, such as a big yellow scarf or piece of airy fabric to place over the surface before laying out the items.

Create an altar, dedicated solely to the element of air. Go outside and find items or use items you have around your house to create your AIR ALTAR.

Ideas for Air Altar Creation:

- Feathers
- Intricate Leaves
- Bell or Wind Instrument (i.e. whistle or flute)
- Incense or other smudging material (smoke)
- Light/Transparent Coloured Stones or crystals
- Wand or Tool of Projection (i.e. stick you found, handmade wand, or commercial wand you purchase)
- Flowers (Fragrant) or Herbs (i.e. pungent smelling)
- Candle in an air colour, such as yellow, white or sky blue

- Statues or pictures of air fairies (sylphs), songbirds, or butterflies/dragonflies

Use your imagination – these are only ideas to get you started. Feel free to check the cheat sheet, and get creative, using anything that makes you feel connected to air.

Light your candle or incense and say:

Spirits of the East
Powers of Air
Gusting, Breathing Elemental Ones
Infuse me with clarity and inspiration
Be with me now.

Spend some time enjoying your magical place of air that you have created. Pull a card from your favourite divination deck and see what message air has for you.

Perhaps you would like to take a photo of your special air altar to share on our facebook group for others to enjoy.
