

# Connecting with the Power of EARTH

## ASSIGNMENT TWO – Altar Creation

An altar is a sacred point between heaven and earth, anchoring your manifestation into physical form. It's giving energy to your intention, your prayer and what you hold sacred. Creating a magical space.

Set Up your Earth Altar:

This can simply be a small table or surface where you can lay out and decorate the space with objects associated with earth. We like to anchor the items together by using an altar cloth, such as a big green or brown scarf or piece of burlap or other earthy fabric to place over the surface before laying out the items.

Create an altar, dedicated solely to the element of earth. Go outside and find items or use items you have around your house to create your EARTH ALTAR.

### Ideas for Earth Altar Creation

- Any stones that call you (i.e. heart shape rocks, river rocks, crystals)
- Salt Lamp or a bowl of salt
- Favorite Sticks, Palo Santo wood, spirit sticks, talking sticks
- Coins or a pentacle (or your favourite tarot card from this suit)
- Drum
- Potted plant in a clay pot

- Candle in an earth colour, such as green, brown or black.

Use your imagination – these are only ideas to get you started. Feel free to check the cheat sheet, and get creative, using anything that makes you feel connected to earth.

Light your candle or incense and say:

*Spirits of the North  
Powers of Earth  
Grounding, Protective Elemental Ones  
Infuse me with your strength and power  
Be with me now.*

Spend some time enjoying your magickal place of earth that you have created. Pull a card from your favourite divination deck and see what message earth has for you.
